FabriQ was the first incubator specifically targeted at promoting social innovation of the Municipality of Milan.

Vision

Promoting change towards a new social-economic system, in which research and social-environmental impact go hand in hand.

Mission

Supporting prospective entrepreneurs through the implementation of ideas and projects with high social impact.

Target

Impacting on our territory through incubation, training, project design and space & community building.

Location

Grounded in Milan, in Quarto Oggiaro neighbourhood, to best tackle urban critical issues and improve citizenry's future.

This project has received financial support from the European Union Programme for Employment and Social Innovation (EaSI) (2014-2020) and the European Social Fund under Grant Agreement VP/2020/010/0139. For further information please consult: <http://ec.europa.eu/social/easi> and <http://ec.europa.eu/esf>

Promoted by Milan's Municipality, managed by two solid partners:

Think-and-Do-Tank tackling research, technical support, consultancy and training across social policies and employment, technological transfer and internationalisation processes, urban regeneration and social entrepreneurship.

Impact Hub Milan is a network of collaborators focused on making a positive impact in our world offering our members a unique ecosystem of resources, inspiration, and collaboration opportunities to grow impact.

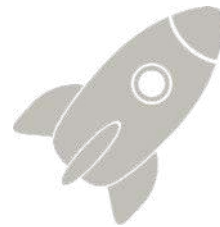

The initiative was promoted by the Assessorato alle Politiche del lavoro, Attività produttive, Commercio e Risorse umane, of Milan's Municipality - Direzione Economia Urbana e Lavoro
